On Sunday the 24th of October students from our schools competed in the annual CCP Tournament against 200 Martial Arts School. We are very proud to say that **IMC was ranked Number One School** in Australia, winning by over 400 points. Thank you to all the students and families that attended and came to show their support for our team.

As I See It !!!

Recently I read the book "The West Point System Of Leadership." This was an extraordinary book written about an extraordinary place, which has consistently for almost three centuries produced leaders and presidents.

The most important thing I got from this book is that they don't accept passing the buck or poor performance. They subscribe to the highest level of integrity, where they don't cheat, lie or steal and they don't tolerate anybody who does.

A cadets one responsibility is to the truth. A cadets is only allowed to use four answers, "Yes Sir", "No Sir", "I Don't Understand Sir" and "No Excuses Sir". So if somebody splashes mud on your boots on the way to the parade you can't say it was his fault or this is what happened, you can only say "No Excuses Sir".

So the next time:

1. Your child isn't doing good at school
2. Your child is over weight
3. Your child wants to quit soccer, cricket, karate, piano lessons again.
4. Your child is being disrespectful
5. Your child is in trouble with the law

Which one of West Points four possible replies could you use to assign blame?
